We are looking for 1 volunteer to work as an English teacher in Kwidzyn. The volunteer will work with different age groups (children, youth and adults), teaching them English using different methodology.

About Kwidzyn

Kwidzyn is a town with 40.000 inhabitants, located next to Liwa river in south-east part of Pomeranian province. Development of the town is based on strong industrial structure – production of paper and electronical industry.

Surrounding of Kwidzyn are beautiful and rich forests, with nature reserve and lakes. Beside that in Kwidzyn there is a strong field of non-governmental actions. We have organization like scouts, ecological, cultural, musical and theater. Both adults and youth will find a place for spare time and hobby development. Beside that we have cinema and theater and other cultural places like restaurants, pubs and discotecs. There is also a big sport center with football, volleyball, basketball tennis and minigolf grounds, for the fans of swimming there are clean lakes and one swimming pool. The main office of our organization is located in old part of Kwidzyn, next to forest together with Zoo and bloodstock.

Tasks of The Volunteer

Tasks in this projects have 2 dimensions: language animation and volunteers culture presentation.

1. Language animation: Volunteer will teach English different groups (children, youth and adults). English lessons will be held in different Kwidzyn's schools as well in the our office and youth centres. It is possible also to organize private English lessons in private homes.

2. Cultural presentation: Second part of tasks will be presentation of the volunteers country/culture and promotion of EVS. Volunteer will present these topics in Kwidzyn's schools and organizations.
